

TOWERKLENE 44-AFC

TOWERKLENE 44-AFC is a mild alkaline cleaner concentrate formulated specifically for use in automatic scrubbing machines or manual applications where the removal of tenacious soils is required.

USAGE

TOWERKLENE 44-AFC, when applied with either a single disc or automatic scrubbing machine, will loosen and emulsify oils and tire marks from shop floors. In automatic scrubbers, the pickup tank will never become foam clogged. For light soiling, use two to four ounces of concentrate per gallon. For heavy soiling use four to six ounces of concentrate per gallon.
